Objective

Seeking an internship position that will enable me to utilize my technical, personnel skills and further develop my professional skills in a dynamic and challenging environment.

Education

- **MS in Computer Science**, GPA: 3.86/4 Aug 2022 - May 2024
Old Dominion University, Norfolk, VA, USA
- **BTech in Electronics and Communication Engineering**, GPA : 8.21/10 2017- 2021
NBKR Institute of Science and Technology, JNTUA, India.

Relevant Coursework

- Introduction to Networking
- Computer Architecture
- Foundation of Computing (Algorithms and Datastructures)
- Computer Vision (Project - Automatic highlight generation for Cricket Video using Python, based on Computer Vision Technology - Paddle OCR, YOLOv5)
- Data Visualization (Tools - Tableau, Rstudio)

Professional and Work Experience

Academic and Research

- 1/10/2023 - present **Graduate Research Assistant**, Strome College of Business, Old Dominion University, VA
Project Title: "NLP based Empathy and Economic analysis on Yelp reviews"
 - Using Python libraries to develop the accuracy and precision to detect empathy in customer reviews.
 - Text-based emotion recognition and automated report generation for brewery companies, based on customer reviews.
 - Technology - NLTK, TextBlob

Industry

- 6/17/2021 - 4/4/2022 **Assistant System Engineer**, TATA Consultancy Services, India

- Designed and developed user interfaces for a client company in the UK, using frameworks such as React JS.
- Developed server-side logic using frameworks such as Node.js and Django.
- Created and maintained databases using technologies such as SQL or NoSQL.

Project

- Title “Automatic highlight generation for Cricket Video”
 - ❖ Language used : Python
 - ❖ Technologies included: Computer vision (Paddle OCR, YOLOv5)
 - ❖ Include analysis of deep neural networks to identify the change in text to detect the sports highlights.

Skills

Technical

- React JS
- Python
- SQL, NoSQL
- HTML, CSS, .Net
- REST API
- Proficiency with MS Office

Personnel

- Quick Learner
- Communication Skills
- Teamwork and Collaboration
- Time Management
